2014 Reserve Champion Bull at Houston

A outstanding herd sire who sires very long bodied, upheaded, muscular, thick, eye appealing, and gentle calves. He is the sire of the 2017 Houston Grand Champion Bull, [Man of Steel](#).

It's no surprise that 191 has what it takes to be a great herd sire. Great bulls come from great cow families. His dam is the phenomenal Miss V8 464/6 from the famed Claydesta cow family. His full brother, Mr. V8 194/7 was also a very consistent class and division winner throughout his show career. Both of these bulls are ones you can hang your hat on for improvement with a great disposition.

Mr. V8 604/7 "Man of Steel"
